

# Pink Butcher Paper

Wrap your Brisket, Steaks, Ribs and more while smoking in our Pink Butcher Paper!

Our Pink Butcher Paper holds juices in while letting the steam escape! The perfect choice for all of your smoking needs!

SKU# 7811

Works better than traditional foil and does a better job of trapping in the smoke, while releasing the steam. Unwaxed and uncoated, this butcher paper is food grade and FDA Approved. Great multi-purpose paper can also be used as table covering, serving surface and for storage. Taste the difference!

Providing The Best Service Platform
